

Have a Go at Aerobatics

BUT NOW

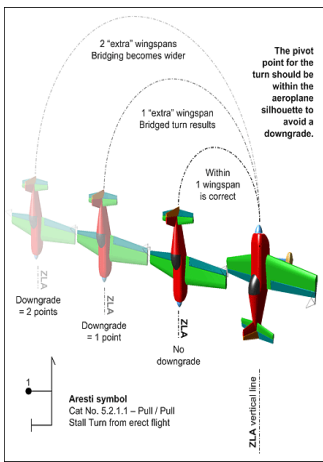

Nov 19/20/21th

Mercer Airport

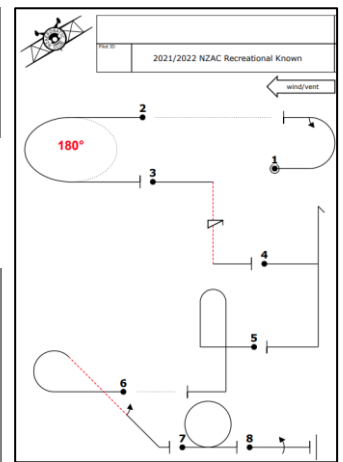

Extend your confidence, skills, and flying knowledge, in the truly three-dimensional realm of aerobatics.

Dual instruction/coaching with experienced instructors

Get a taste of flying a competition sequence

Practice and extend your existing competition skills with ground coaching/critiquing

Seminars: “It’s not that scary!” - Your First Competition
Aresti Notation - Reading the sequence card
Getting your head in the game” - Competition Racecraft
What the Judges are looking for (and watch judging in action)

Fly in a marked-out Aerobatic Box

Experience aerobatics in interesting aircraft

Registration fee: \$40 per day for flying participants (lunch provided)
Aircraft Hire and landing fees at your expense.
